“ Sorry to hear of Larry's passing. I got to know Larry the past 12 years as we shot many trap targets together at the Capital City Gun Club. We also shared a lot of stories about family, vacation trips and just life in general. He was a true gentleman. We will miss him at the Gun Club.

“ I will truly miss my cousin. He was always concerned about his California cousins. I will miss the times when he and I would reminisce about our sneaking out of our grandparents house when I visited to go partying. We always had such fun together. My sincere condolences to both Robin and Lori, he will truly be missed. Cousin Eunice

“ I am very sorry for your loss. Larry was a great guy. I first met him when he and I were working together at Kansas State University, if I am not mistaken during the period 1970-1974 while I was a student there. The last few times that I had the pleasure of seeing him was shopping at SAMS Club in Topeka. I am very sad to hear of his passing!

My deepest condolences to Larry's family. We met Larry from working with Robin for many years. We got to know him better when he, Robin, and Lori joined our trivia team. We had many fun evenings spent at the library spent at the library answering questions. We always enjoyed his company and will miss him greatly.
