“ If a person should die, can they live again?
Hear the promise God has made
He will call
The dead will answer
They shall live at His command
For He will have a longing
For the work of His own hand
All those who in God's memory stay
From death (sleep) He will awaken

“ To Laurie's family--I didn't get to speak with you at the visitation, but I just wanted to tell you how much I adored Laurie. I had four children that attended Jay Shideler preschool: Porter, Mason, Lindsay, and Spencer. And I always looked forward to talking to Laurie whenever I went for a conference or a meeting. She was just sunshine to me. She had that wonderful way of making me feel like I was a fantastic parent. I liked myself better when I was around her. What a gift she had, and how blessed we are that she shared it! I am so sorry for your loss. But I am so very grateful to have known her.

“ Greg and family: My husband Tom and I had the honor of being the lead couple for you and Lauries marriage prep class in 1986. I had the honor of working with Laurie professionally through the years as well. She was an amazing woman. She brought a smile to all she met and was such an amazing advocate to special needs children. Our deepest sympathy for your loss

“ *Parsons Family:*

My prayers are with all of you. I know you will miss your wife and mother dearly as I will miss my good friend. I hope all the cards I sent over the 4 years of her illness were a comfort to her in some way. Laurie was a jewel, always on the go. I am sure she is flitting from here to there in her angel wings getting re-acquainted with friends and family and overseeing what you all are doing. Her work on earth was done, but from heaven she will carry on. Love to you all. Anne Reves

“ Dear Greg, Leah, Sophie, and George, I can't believe Laurie is gone. Her love of people, big and small, her zest for life, and a smile that could warm the world will be carried in my heart and I hope, in yours. I was privileged to know and work with her. Now it's up to all of us to carry on her legacy. My heart goes out to you.

“ I can't express how sorry I am for your loss. Laurie was one of the kindest and most caring individuals I have ever known. She was one of the first persons I met when I moved to Topeka in 88, as she was my son's first social worker at the preschool. She was incredibly supportive and brought us much comfort. Those of us fortunate enough to have known Laurie were blessed. Your family will be in my prayers and may God's love bring you comfort in this trying time.
