“ *Chad and Danielle-I just met you last evening at the infant loss group, and I just wanted to let you know that I am so sorry about Leah. Having just been through this myself, I know how difficult this is, and how your life is now changed forever. I am so glad you got to know your Leah and spend time with her, even though it was not nearly long enough. We will pray for you, and your family every day. God bless!*
