“ *Dear Barb, Jim and family,*

I wanted to say how deeply moved I was by the beautiful memorial service. What a tribute to your Mom and your parents love. Barb, as we have said many times, they had a love story of their own and that was so evident at the memorial.

Your family has become so very special to me! I think you all know that by now.

Barb- I don't know what I would do without your friendship. I am sure that there are many of your family who feel exactly the same way too.

I didn't know your Mom without her illness, but I do because of each of you and the beautiful service you gave in her honor.

*Love and friendship,
Joy*
