“ *Dotty and kids,*

I just heard about LeRoy tonight. I am at a loss for words, but we want you to know how much we feel for you, and to thank you for all you've done for our family. We are so sorry for not hearing about this sooner. Please accept our heartfelt condolences. Nub was so good to me as a boy, and so very very good to Mom and Dad. She always spoke so highly of him and all he did for her. I am sorry we can't be there, but please believe our thoughts and prayers are with you now.

“ Dotty, Tony, Darlene, Debi, and families - My sincerest condolences to you all during this difficult time. Leroy was a person I tried to emulate, he was my mentor and friend. He had a big influence in shaping me to be the man I am today, teaching me how to be a mechanic and how to provide for myself and my family. Leroy will be greatly missed. I wish I could be there but please know that you all are in my thoughts and prayers. God bless...Gary Ebert
