“ *I want to offer my sincere condolences to Lester's family and friends- I can tell Lester touched many people in his life. I understand how it feels to lose someone you love, but I have found a lot of comfort in the Bible's promise at John 5: 28,29 where it says, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life...." It's great to know we have a hope to see our loved ones again!*

“ *My Dearest Mayme. Oh how I remember the many many times we sat at Tony's in the corner round booth enjoying lunch with Lee, you and who ever wanted to join us. That was very special times for me. Now Lee is sitting in that same booth, this time with our Lord, enjoying, telling ol' stories, being at Peace. May God Bless you and your Family as this time of sorrow, happiness, and memories remind us of our precious Lee.*
