Linda was such a gentle and kind soul. I was her classmate in St. Benedict. There were only five of us girls in our class. Linda would invite us to her house many times. She always had a smile. I knew back then that God had something very special for Linda. She is a beautiful angel in heaven. My sympathies to her family.

“ Linda was a very significant person in my Uncle Elwood Morgan's life. They were friends from around 1975 through his death in 2006. I was pleased to see the two pictures of them together as they spent a lot of time together laughing and teasing each other. She attended many of our family events in Wichita while my uncle lived there. My thoughts are with her family.

“ Linda was my classmate growing up in St. Benedict. I noticed several people mentioned her smile. That is what I remember most about her. I remember going to her home before the dance at Church picnics and sometimes after basketball games. Her family was always very nice to me. I'm sorry that after graduation we never stayed in contact. Eternal rest grant unto her Oh Lord! ,,,, Eileen Tangeman Lake
