“ I worked with Linda as a contractor with IFF (formerly DuPont). She was always pleasant to work with and I enjoyed catching up with her when our paths would cross. The family is in my thoughts & prayers.

“ Linda was in my high school class, and we were both in the band. I reconnected with her at our high school band director's final concert before retirement. I was profoundly saddened to hear of her passing, as I was unaware of her battle. She was a just a genuine and beautiful soul, so kind and lovely. The world is a little less without her in it. My love and sympathy to all of her loved ones. Ann Reed ~ THS '93

“ We met Linda for the first time a few months ago at the original Taco Casa. Clint introduced us and afterwards, we both commented what a friendly, bubbly, sincere girl she was. We were so happy that she and Clint had found each other. We know that she leaves a big hole in so many people's lives.

“ Linda went to a dance with my middle son in high school. Over the years we would run into each other. We planned lunch a few times and always had a wonderful visit. Linda was always so positive and sweet. Just saw her at a little Mexican restaurant a few months ago.

Sending Light, Love, Healing, Strength, and Prayers to all who loved her. Knowing she will be missed by so many. Knowing I will miss our chance meetings.
