“ *I have many wonderful high school memories of Linda.....she was, indeed, a great “social director” who kept life moving and fun! She had the most awesome white Corvair convertible and willingly packed us in and drove to Smacks Drive-In or Allen’s after school and on weekends! She also had the cutest clothes and Capezios in every color which was very cool in the sixties! I am sorry to hear of her passing from Covid-19 which is, unfortunately, taking far too many in our age group.*
