“ I'm sad to read this about Linda. As a teenager, my mother and I would attend the Marion Masses in Topeka and we heard her sing. I decided when I got married, she was going to sing at my wedding and she did. She sang my favorite song, "As I Kneel Before You," at my wedding in 2005. I remember my mother and I going to your home and picking out our music and she just had such a beautiful voice and was such a sweet lady. I'm sure she'll be singing in the choir of angels now. May her soul rest in peace and may her memories give you comfort at this difficult time. In sympathy, Patty Talley

“ Erwin and family, I am so sad to hear about Linda, but I am so thankful for the blessing she was in my life. I am so grateful to both her and you, Erwin, for helping me grow and learn about so many aspects and practices of our Catholic faith. You both have a great love for the Lord and for each other. It was a blessing to work with Linda and be a part of music ministry at Sacred Heart with her. May Linda rest in the arms of Jesus now and may Our Savior comfort you and all your family and friends.

“ Linda loved and enjoyed being the church choir leader. She was a respected choir leader because she kept everyone on their toes when it came to church hymns. Now she can sing one on one to her Lord. Fred and Sally Gilliland

In our teen years, my cousin Linda was my best friend. In our younger married years our first born kids played while we played our guitars and sang to Jesus!! I loved her spontaneous laughter....she was a fun and cheery gal!! I love those memories!

“ Linda and Erwin came to visit us in Las Vegas. We were in the process of having our yard landscaped. We took them with us to buy rocks for the front yard. They didn't comment but I'm sure that thought we were crazy to spend good money on rocks. Probably not something the folks in Kansas do. Erwin and the family will be in our prayers. “ I first met Linda at Sacred Heart School. She was the Kindergarten aide when I was a brand new teacher. She was the most kind, patient person with the most amazing faith. Through my years at Sacred Heart, I got to know her better and feel so very blessed to have known her. I have no doubt that she's in the arms of Jesus. What a beautiful faith filled soul! My sympathy to all of Linda's family, as I know you will miss her. The world is definitely a better place because Linda was here! ❤️

“ May God hold you his hand full of his love and comfort. I so enjoyed having Linda as Sacred Heart’s music teacher and choir director. One of the best times is when parishioner’s and teaching staff gathered together to make choir robes for the students. She was so pleased. You will be missed Linda. Prayers of comfort are being said for each of you. God Bless you in this difficult time.

“ Dear Ulses Family,
My thoughts and prayers are with you during this time. My all the precious memories fill your hearts with peace. Linda has been my friend for a long, long time. She used her many talents in music by teaching our son to play the saxophone. She had the great idea to start with a recorder before purchasing the sax. LOL, it worked and her and Pete along with Jenny doing vocals celebrated many Masses, funerals and weddings. She transcribed all the music for Pete to play.
Erwin and Linda were my Holy Hour partners for over 20 years. Every Sunday night at 10:00 pm we would share the Blessed Sacrament in an hour of prayer. I was so blessed to know this wonderful woman. I was thinking last night, I wonder how many rosaries she has prayed over the years..... She always said that singing in Church was praying twice. My heart hurts for those left behind but my heart smiles thinking of Linda now in paradise. God bless you all and Linda, my frienduntil we meet again.
