“ Alda, Susan, Dori, & Nikki,

I am so sorry for your loss. I have many good memories of Lloyd. As cousins, we were good friends in our youth. We wrote each other when he was in the military. He spent time drinking coffee at my kitchen table when we were both attending school at Chadron State - I might have even helped him with an accounting problem or two. We spent time gabbing on the phone for a few years after college. While we lost touch for many years, I am glad we re-connected recently and I got to know you. I keep you in my thoughts and prayers.

“ Lloyd was a kind man. I remember the daisies he grew every year and happily shared with me. He was also a tremendously thrifty man. I still have the perfect pair of cowgirl boots that he found for me at a garage sale. He will be sadly missed but joyfully remembered. Susan and Alda, you both have my deepest sympathies.
