“ *Ian, Lauren, George and family: Words are not adequate at this time to convey my sorrow at the loss of this dear person. She was a wonderful, caring, thoughtful person, coworker and true friend. She loved you all very much and talked about you all the time and was so very proud of you, Ian and Lauren. I had great respect for her. I am thinking and praying for all us. My daughter adored her so much. I will miss her deeply. Take care.*

“ *Lora was one of the sweetest, caring, and most genuine persons I have ever known. That is what makes her passing so devastating. In 2006 I happened to be in town visiting my mother when our high school reunion took place. I spent some time catching up with Lora. We exchanged emails and kept in touch after I returned home. She would always ask how my family was doing and sent blessings our way. I am so glad we reconnected and am very proud to have called her my friend. She will be missed greatly. My prayers go out to everyone whose lives she touched, especially her family. I will never forget her.*

“ Lora always maintained such balance and a true spirit of care for others. She never hesitated to inquire about my Mom or my kids and always showed true interest how they were doing. She routinely took the extra time to connect to the individual person - a strength that few people possess.

*I hope you find comfort in memories and strength in love throughout this very difficult time.*

“ Ian, George, and Family-  
I have worked with Lora for the past 5 years and not a day went by when she didn't say hello with her cheery smile. She always had a way to make you smile. Lora was a dear, sweet person and I know you guys are missing her so much. Remember the good times and she will always be with you. I am thinking of your whole family.

“ Lora is the most inspirational, spiritual, positive, caring person I've ever known. I considered her my other mother and am completely shocked that she has passed. When I first met her, it's like I had already known her before...and old soul so-to-speak. I KNOW she is smiling from Heaven, that she is free, and that she wouldn't want anyone to be upset at her passing. Lora's loved so very, very much and I can't even begin to tell you how sorry I am for your loss. But please know that she is your angel now and will always be there to protect you, make you smile on days you think you can't, and will provide you with an inner strength you never knew you had. She is truly one of a kind.
