“ Ed and I are so sad to hear of Louise's passing. We will always remember the wonderful and fun times we had living next door to all of you on Huntoon Street. We were so lucky to have Louise and your dad look after Jeff when he was in his early years. He thought so much of both Louise and your dad. We'll never forget the story of when your dad and Louise had the rental business on the side. Jeff will always remember his trip to a funeral home with your dad to deliver tables, etc. with your dad. He just had to go peek in a casket and see what the person looked like. So sorry we are not able to attend the funeral today. We wish all of you kids the very best and are keeping you in our thoughts and prayers.

“ *Although we didn't have the pleasure of knowing Louise personally, we know she must have been an angel on earth to raise such a wonderful daughter in Mary Lou. Our prayers are with the family, and we have prayed to Michelle and Mike to welcome her to heaven with open arms. The community of saints has just grown by one.*

May God hold Louise and the family close to His heart.
