“ *For many years Lucille and I both worked at Security Benefit. After she retired, it was always a pleasure to see her again when she came to SB with the blood bank. I'm sorry for your loss. She was an example of a life well-lived.*

“ I remember "Grandma Lucy" and "Maudie" coming to KC shopping with Jenni and the kids and stopping in to say hello. She was so friendly and lovable-you just wanted to be part of the family! Then hearing that she continued to work in the Topeka Blood Bank long past her retirement age shows how much she cared about others and keeping active as long as possible. She was a sweet lady.
