“ *I knew Cindy primarily as a fellow employee and from the first time I heard her name (I was being told how wonderful she was at mentoring new employees), I have never heard her name mentioned in anything other than a complimentary context. What I saw was a woman who was considerate of others, who kept her priorities straight, and who thought anything worth doing was worth doing well. She will be missed!*

“ Hi, Jerry and Derek, sorry to hear of our loss in Cindy's passing. I'll remember her and you as great hosts to the IM Chiefs of yesteryear in your home. My how things change. I hope the hospice experience was of some comfort to you both. My father passed away at 92 in 2008, his last 6 months were in a hospice home setting. My wife, Inga, is on a similar journey as Cindy. “ Jerry,
So sorry that Cindy died. Brad Hamilton told me. I remember her coming to our Salina SRS spouse-too functions.
Coincidentally, my wife is from Oakley and her grandparents lived in Winona. I'm sure they heard of each other, even though she was there briefly.
Hope God can comfort you.

“ Cindy was a wonderful person who dearly loved her family and was also part of our SRS family. She was the person we went to when we really wanted to get something right, and she helped train many staff at the Topeka Area Office. We appreciate you sharing her with us all those years and our thoughts and prayers go out to Jerry and Derek during this time of loss.

“ Jerry,

Please know that you and Derek are in my thoughts and prayers. Although some time has passed since I worked at SRS I have never forgotten my SRS friends. I remember when I first started in February of 1979 how helpful Cindy was and how she never failed to provide a helping hand whenever I or anyone else needed one. Please accept my deepest sympathy and heartfelt condolences.
