“ *So sorry for the loss of your dear loved one. To lose a loved on at any age is hard. The time spent with them always feels so short. Hope you can be comforted by your family and friends and good memories you have. Also the wonderful promise of a resurrection for our loved ones. John 11:25 says, "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." I hope you can find comfort and hope in this promise and the fact that God does care for us.*
