“ Grandma-  
I remember when you taught me my multiplication facts, you would not let me leave the time until I got them right! I love you for caring so much! I will miss you. I'm sorry I did not spend as much time with you as I should have. That I will always regret. I love you very much.

Love you,  
Jessica, John and Bryana McDaniel

“ I was so sad to hear that Delores had passed. I lived across the street for several years and she was like my second mom. She would make mostaccioli and dishpan cookies for me all of the time! I had hoped to make it to see her in Lawrence since she had moved, but never got there... The last time I made it over to visit, I took her a small plant for her birthday and she acted like I had given her a million dollars! She was a very special lady! I knew Darrin and Kevin better than the rest of the family, but you are all in my thoughts and prayers.
