“ *I knew Beryl Dreiling best as Miss Herrington. She was my sixth grade teacher at State Street during the 1955-56 school year, and she was one of the very best! She believed in me and made a tremendous impact for good in my life. I am grateful for the blessing she was to all students whose lives she touched in such positive ways!*

“ *I was sadden to hear of your mothers passing. I would run into her occasionally through the years and wondered why I hadn't seen her in awhile. She was one of my favoirite 6th grade teachers at State Street School back in the 1960's. I appreciated the respect and guidance she gave to all of her students. After retiring from the business world I decided to continue my education and became a teacher. I believe she was instrumental in my decision, I will miss her and remember her fondly. My prayers go out to you and your family.*

“ My daughter and I both had Mrs.Dreiling for our teacher at State Street School. We both agreed she was strict, but fair and a good teacher. We need more teachers like her today. Our prayers are with her family.

“ Sorry to hear of your mothers death. I know you do not know me but your mother happened to be my 5th or 6th grade teacher at State Street Elementary back in 1962-1963 or 1963-1964. I remember my elementary teachers pretty well, and you often wonder where they are. Please accept my condolences. Rita
