

MaKyna Breitkreutz

October 5, 2013 - July 7, 2023

MaKyna Jaye Raygen Breitkreutz, 9 years old, of Topeka, Kansas, passed away Friday, July 7, 2023.

The beloved daughter of Jay and Johz Breitkreutz, MaKyna was born October 5, 2013. She was a special child with extraordinary powers. Though non-verbal, MaKyna communicated with great clarity. She was a student at McEachron Elementary School where she was dubbed Queen of Hearts. She would draw you in with her big brown eyes and she had you. You were hers. She was very opinionated and you always knew where you stood with her. She loved being the center of attention and was very adept at making sure that she was. Her favorite music had deep and loud bass notes. She loved horses and was overjoyed when given the opportunities to ride. MaKyna was deeply loved and her absence has left a void that cannot be filled.

Grateful to have shared MaKyna's short life are her parents, Jay and Johz; her brother, Sawyer; her sister, Peyton; her sister by heart, Kaylyn Brauer; her grandparents, Deni and Randy Kistler; and many aunts, uncles and cousins. MaKyna was preceded by her grandparents, Jan Breitkreutz, Gene Breitkreutz and Carla and Carlos Lette.

Cremation has taken place. There will be a Celebration of MaKyna's life announced at a later date.

Memorial contributions are suggested to B & C Equine Rescue, Inc, 740 W

“ It was a blessing to get to know you this past spring and to witness the pride your mother and McEachron educators had for you. I learned you were an artist and quick learner with strong color preferences :) And that you quickly touched lives with your spunk and gifts. MaKyna, you will be greatly missed. Mia Caviezel

“ Even though you were only with us as a McEachron Mustang student for a short time this past year, both you and your mother taught us so much. Your mother truly loved you more than life itself. I was so glad to see how your mother was always there for you as well as our school team in helping us to see you, know you and love you in a deeper level. We loved your spirit and spunk and were so glad that you came into our lives at McEachron. Every time I see a peony flower, I will remember you as you like them were beautiful inside and out but unfortunately were given just a short season in life. I was so sad that you had to leave us and your family but am so glad that you can now truly bloom and grow now in heaven. I look forward to seeing you again someday and pray for total peace for all those you had to leave behind. We look forward to celebrating your life and hearing more stories from others how you blessed their lives as well. God be with you till we meet again. Love always, Mr. Williams, McEachron Principal

“ My dear spunky and sassy girl, I have no words right now to express my sadness in not getting more time with you this school year, but I am comforted knowing that you are now able run and play tricks without needing to rely on people who took a few extra moments to see how amazingly clever you are. You changed the lives of everyone who took that extra pause to truly look and see your shining personality, that you tried so hard to hide. You protected your heart so well with your FOAD glares, but I will always be so very grateful that you let us in, and selfishly, that you let me in. It was very clear that you were wise beyond your years and it was a complete privilege to know you! You challenged me when I needed to be challenged and rewarded me with your spunky attitude. I will look for you in the butterflies. I hope you know you are very loved by those of us who knew you, even if briefly.
