“ *Thank you everyone for your love and support. Malachi was an amazing Soul and suffered greatly with this disease. It comforts my heart that you understand, and comprehend with compassion.*

“ *Our family would like to offer our deepest sympathy for the loss of your dear son, brother, loved one and friend. Losing someone so young is truly one of the hardest trials to endure. We read that Malachi suffered with an illness. How we all long for the fulfillment of the promise of no more sickness, death, sorrow of pain. (Isaiah 33:24; Isaiah 25:8) I'm sure the family of Malachi long for the day when we will welcome all of our loved ones back to life by means of the resurrection. (Acts 24:15) Until then we pray that God continues to wipe the tears from your eyes. (Revelation 21:3, 4)*

“ *Bill, Suzanne, Anya, Christine, Virgil, Nathan, Veronica, and family,*

We are so sorry for the passing of your beloved Malachi. He was a good son with a great heart, and it hurts so badly that he suffered from such a dreaded disease, with which no one should have to suffer. His short life and way too premature death cannot remove the memories of a beautiful young man. You all are in our thoughts and prayers.

“ *I only met you once when you were so young. But I knew your mom and loved her very much. You are gone from the earth too young. I hope your family can fill their broken hearts with many memories and the love they have for you.*
