“ *Dear Ann and Mary,  
Mother and I were very sorry to hear of Aunt Peggy's death. I have such fond memories of your folks when we visited Topeka every summer as children. I'm glad our mothers had a chance to visit several years ago before they both became so frail. We send our prayers and best wishes to you at this sad time. Your cousin Molly*

“ *Dear Ann and Mary,*

*I was so sorry to hear about Aunt Peggy--she has always had a special place in my heart! When I was a pre-teen she always paid such attention to me..aunts are so much cooler than moms when you're that age! She was our only aunt and she was a humdinger! Our thoughts are with you.*

*Love, Marty and Jim*

“ I knew Mrs. Hoover many years ago when I was a volunteer in the elementary school where she taught. She was much loved by the children and respected by parents. I enjoyed getting to know her. I'm sure you have many wonderful memories of your mother. My thoughts will be with you in the coming days.

*Dear Ann and Mary,*

*I was sorry to read about your mother's passing. Words say very little at a time like this, but knowing people are thinking of you maybe helps. I hope so.*

*I enjoyed your mom and dad too, so much. You both were so fortunate to have such wonderful parents. I know you both have wonderful memories of them, as do their friends.*

*Please accept my deepest sympathy.*

*Sincerely,*

“ *Mary - my sympathy to you and your sister. I remember seeing you shopping with your Mom at Dillard's several years back - my mother was with me and I think we talked about having our mothers to do things with. I know you will miss her but you will always have your memories. Take care.*
