“ Aunt Margaret has been my Aunt for over 63 years. What has always captivated me is her ability to show kindness to all. But if she did get angry you would know it. But it was not often. Being from a big city it was always a great experience when my mom and dad would take off with the family and travel to Kansas for 2-3 weeks during the summer.

Aunt Margaret afforded me the opportunity to experience things which I would not have ever gotten if it wasn't for her. One fond memory was when I was allowed to go with her on her Water Deliveries in the water truck. I loved trucks. It also showed me how hard she would work for her family.

One other memory was when she killed a black snake which was on the side of the house where my cousins bedrooms were. Never afraid.

So now Aunt Marg you have joined Uncle Martin and many others that have passed on. And knowing all everyone will be fishing along with you at the great lake in the sky.

Rest in peace.

Your nephew Greg.

PS: I do hope you find a good batch of Beef Stroganoff

“ I graduated with Elaine from Washburn Rural High School in 1970. I spent time at the Layman home on 61st street. I now have the occasion to visit that place as my daughter works for the owner. It is called Jumping S Ranch and owned by Bryan and Wendy Smith.

“ *Elaine, Delores and families, On behalf of my mother Betty and late father Harold, I and the rest of my siblings send you all our deepest Condolences on the passing of Marg. I knew her and Junior since I would say I was born. Your mom and my folks and all those whom passed before them all started out way back in the day at that old Auburn High School. They cheered on the home football team, played on the old ball diamond and passed the basketball to one another against a rival team on that old court! A lifelong friendship grew through time raising their families and staying in touch. That last phonecall between your mother and mine will always stay with me. Marg told my mom, "I will see you in the gym". Again girls you have my deepest Sympathy.... Bruce Vawter*
