“ Tom, I am saddened by Louise's passing although I appreciate that you and Louise both have great faith and know she is in a better place. While I know you will grieve her being gone, I am happy for you that you have a great family to provide support. Sorry we could not be there for the service but by the time we got the news, we were already committed elsewhere. As you may recall, Louise and I walked to the Hill School together in our early grades since their house was just across the field from our house. We were especially close during grade school, along with Glenna, Madge, and Carlie Trower. Yours was a wonderful marriage and you were fortunate to have had that time together. May God continue to bless you.
Love, Dick and Carol

“ *I am writing this for both myself and Glenna Snow Sheppard who is ill. We talked this afternoon after finding out about Lou's passing. The three of us went through Hilltop Grade School and St. Marys High School together. Lou was one who always had us laughing about something. Her smile and laugh were infectious. On behalf of Glenna who I am sure would agree, Lou and the memories of her will continue to live on. Our heartfelt love and thoughts to Tom and their family and Lou's sisters.*

“ *My Aunt Louise was always full of spunk. I was never just Kelly but known as Susie's Kelly, of course because she had a Kelly of her own.*

They always had 1. A pool, 2. A piano and 3. A basement to play in. Why those things were so important to a kid I have no idea, but she had them so that made her tops in my book.

I love you Aunt Louise and will miss you. Uncle Tom, Jackie, Gina, Terry and Kelly I am so very sorry but you enjoyed a gift from God and that is something to praise Him for.

“ *Kelly & sisters and Tom -- please accept my sincere condolences on the loss of Louise. What a fun little fire cracker she was when Kelly and I were growing up. Kelly and I would cringe when we would hear that she called my mom 'to have coffee' -- we knew that meant we were probably caught doing something mischievous. I have many fond memories of your mom and family over the years. God bless you all and may the good memories bring you comfort and peace during this tough time. We send our prayers.*
