“ *I was very sad to read that Aunt Margaret had passed. She was always so full of life that you just didn't think about this happening to her. I know that she will be greatly missed by all. She is now with Uncle Leroy once again.*

“ *Dear Perry/McMullen Family,
I used to deliver Meals on Wheels every week to Margaret and Leroy. I haven't been volunteering with MOW for close to 5 years, now...but I still remember the two of them very well. Especially Margaret!! Every week she and I would visit for so long that I would often end up running late with the remainder of the meal deliveries on my route. She would talk to me the most about her children and grandchildren, but she also told me much about her siblings and parents and where she was born and raised. I remember sitting on the couch with her in the living room looking at pictures. She would also always ask me about my daughter and husband and what was going on in our lives. She was a very kind and loving person, and I am very lucky to have known her. I think of her often, and I always will.*

“ Our deepest and sincere condolences to all the family. Aunt Margaret, such a precious soul. Such a loving legacy. Always a joy to visit. Always a joy to hear (or read!) the exploits of her days, travels, adventures, or just to sit and catch up at Lake Perry, or on (& off)the beaten tour of a South TX road (likely at a cafeteria :), or certainly the best of times over a glass of tea "Down Louise". She blessed all of our lives so richly. And if she isn't already straightening out that fresh ruckus going on at that Grand McMullen/Perry Reunion up above...
Father, May your Presence continue to grace, give peace & comfort to each and all in our dear family in days ahead. With so much love and gratitude.
How we (ALL) wish we could be there with you to celebrate such a precious life so well lived.
