“Peggy was such a nice person and I knew that growing up on Mission when I was a little girl. However, when my father (Bob Pratt) was at Midland Hospice house for over 6 months in 2004, I got reacquainted with her and experienced her kindness again, because she would visit Dad on a regular basis. It was fun talking of the old times on Mission and I truly appreciated the time she spent talking with Dad. He looked forward to her visits and I am so grateful for that. She was a true friend to our family. I know you will miss her smiling face.

“I am sorry for your loss. I know you are experiencing a difficult time. I have some encouraging thoughts to share with you from the bible. God truly wants you to look to him for comfort. 2 Corinthians 1:3,4 helps us to appreciate that he is the Father of tender mercies and of all comfort, who comforts us in all our tribulations. He provides us with the hope of seeing our loved ones again by means of the resurrection. (John 5:28,29, 1Thessalonians 4:13,14 and Acts 24:15) We can put trust in the resurrection because Hebrews 6:18 tells us that it is impossible for God to lie. May these words bring your comfort, hope and encouragement.

“Peg was a such wonderful person. She had a very positive influence on me growing up. Peg and Larry opened up their home to me after many afternoons of tennis. Although I am deeply saddened by her loss, the many memories I have of Peg and Larry always bring a smile. My thoughts and prayers are with my good friend Kurt and the entire Reid family.

“ I had Mrs. Reid at Holiday and she was a great teacher. She is why I like to cook now. As I have grown up I have seen her around and she allways took the time to talk to me. She will be greatly missed. My condolences to her family.

“ Peggy was a wonderful friend. I worked at Thornton Place and she would always invite me to look at old photos she had of her family and friends. She was kind and never had a bad day. She will be missed by so many people. God Bless.

“ I was so very sad to read that your Mom had passed. She was one of my favorite people and was a great friend and (former) mother-in-law to me. Growing up I wanted to be like her - fun, cute, and "hip"! I try to pattern my relationship with my daughter-in-law after mine with her! My thoughts and prayers are with you all. Karla
