“ I did not keep up with many of my HS friends but I have fond memories of Margo. She was always welcoming, adventurous and fun - especially on our small tennis team from them "rural" HS! Sounds like she had an amazing career and family life. Condolences to her family and friends.

“ *My sincere sympathy to Wayne, Myles and the family. I remember clearly the first day that I met Margo, when she came to meet Dr. Dan Kelly and the other staff at the pediatric office. She was such an impressive person, and I was in awe of her. She was the first military paramedic I had ever met and was so knowledgeable. I enjoyed working with her, laughing with her, just being around her. Her beautiful smile and infectious laugh were remarkable, such a wonderful memory.*

“ *I have so many fun memories of Margo growing up. From trying to learn how to water ski, riding horses and hanging out at the stables, drive in movies and family time at Seward. My most treasured memory is being asked to be Godmother to her baby boy Myles, who has turned out to be an amazing young man. Praying she is at peace and that all the good memories make this time easier.*

“ *My Deepest Sympathies to the Entire Louderback and Wellshear Family ♡
Margo was very Special to many...to me.
We shared many of our life events over the years. I will forever treasure "Making Memories " with her.
Life throws "curve balls " to all of us from time to time. Margo felt Blessed with a Family that helped her try to dodge Her "curve balls". She told me that often.
Margo had a Good Heart and I will never forget her.
I am so Proud to call her my FRIEND. 🌻

“ Wayne, Myles and Family

I am so sorry to hear of Margo's passing. Margo was a great person and friend to both Dan and me. She was an excellent nurse for my husband, Dr. Kelly for many years. He spoke often of how lucky he was to have her working next to him, always making his life easier. I pray that the precious memories, and good times, comfort you as you grieve the loss of your wife, mom, and friend. Hugs to you all, Wayne, Myles, and family!

Margo was the best we laughed a lot, she enjoyed her snacks which she shared with others. I will always remember the story of her dog who ate the birthday cake that was setting on the table if I remember her name was tussy. What a sweet lady lady! Mary
