“ Maria was a beautiful person inside and out. First met Maria in 2009 when we moved in across the street and she and her family quickly welcomed us and became a second family for us. She always envied us to attend their family holidays and gathering knowing that we were so far away from our family. She will be greatly missed. Fly high my dear friend. Our condolences and prayers are with the family now and forever.

*It's hard to find the words but I wanted to share our heartfelt condolences to my brother, Al, Anna, Sondra and families. May you all be comforted by the outpouring of love that surrounds you at this difficult time. Just a week before her passing, Maria texted me to say she was hoping for a much needed vacation. I think she really enjoyed her trips to Florida to visit us. Especially the walks on the beach and the golf cart rides where she would wave to everyone as if she were in a parade. Good memories.*
