“ *Michael and family: I am so sorry to hear of the loss of your mother. I remember "Jeannie" well from Assumption School. I don't know if you remember me, but I was the school secretary several years (during the mid 80's) when she worked there in the school library. She was such a sweet lady, always had a smile! I know she will be greatly missed. Take comfort that she is once again with your father, Glenn, and together they are praying for all of you. I lost my husband earlier this year and I pray the Lord will console you now in your grief. With Love & Prayers, Bibiana (Birzer) Zweig*

“ *Michael and Family - Jeannie and Glenn are a big part of my pleasant memories of growing up as a young man and parent - almost like family through church and school. They always had kind words and actions for others even through their own trials. They're together now and may they live in Christ's peace.*
