“ *Dear Pam, Charlie and Mark, Please accept my sympathies and my apologies for not being at your Mother's service. I just learned of her death today so would have been there. She was a staunch friend of both my parents; after my own Mother's death my Dad always had something in the refrigerator she'd brought down to tempt his appetite. Her faithfulness was unfailing. She will be missed.*

“ Pam, Charlie, Mark:

Your mom was the very first neighbor to welcome us to Potwin in 1989. She knocked on the door with a bowl of strawberries she had picked that day. Robbie was always welcome to play when Raleigh was in town, and the small tree in the front yard saw both of them hanging off it! I know you will be moving on with your lives, as we with ours, but part of the fabric of our lives will always have your mom woven into it.

“ *Growing up I was very fortunate to have Marie & Gene in my life as if they were my guardian angels. Even though I wasn't one of their sons, that never stopped them from considering me as if I was with their care and concern for my well being. I am grateful for the memories I got to experience with the Cain family. Marie, Gene, Chuck, Pam & Mark and their families are in our thoughts and prayers. Sincerely, Paul & Tammy Metzger*

“ *Dear Family. I have known Marie for more than 30 years. Our paths have crossed many times over the years - never for any length of time - but long enough for me to learn that Maria was a very kind loving generous person. I enjoyed the brief encounters that we had so much and she always brought a smile to my face. She gave me anesthesia back in early 1980 for a major surgery and I will never forget her kindness she showed me. You have my deepest sympathy. I will never forget this faithful servant and the superb job she did on earth for all mankind. Sincerely Karen Rooney-Cuevas*

“ Pam,

*As you know I have had the honor of working for your family for nearly 27 years now. I always thought of Marie as my second mom, one who was never afraid to give me advice or direction. As a restaraunt owner she would always take me through the stores and show me areas where she was unsatisfied with the cleanliness. And yes she expected it to be cleaned. She would always follow up to make sure the task had been completed. As someone I always looked up to she watched me grow up and wasn't afraid to point out if she was unhappy with my decision making. For me and my family she was a tremendous individual who we loved very much. I will always have fond memories of her and the fine example she always set. Our thoughts and prayers are with you and your family.
