“ *I can't believe Marie is gone, it has left a big hole in my life. I am forever grateful for all that she did for my family, especially my son Zeke. We will see her again, but in the mean time, I can't help but think she is still watching out for him.*

Marie may not have been the easiest person to get along with but there is no doubt she loved her family and friends. Thank you Debbie for taking care of her.
