“ To Marilyn's family, I met Marilyn when I was 16, and she was working in surgery, this was in 1960. She was a wonderful mentor along with others at St. Francis Surgery..She shared her spirit with me, and gave me a passion for surgery that she also had.I have nothing but very fond, sweet, memories of her, that I will always treasure. I felt like I knew all of you because of her excitement everytime she spoke of you and your children,she was very proud of all of you. I was working with her the afternoon your Mother passed away, I'm sure they are catching up on everything now..Marilyn was Loved by many and will be missed by all. I'm so sorry for your loss, my prayers are with you. Mary Brooks
