“ I'd like to extend my heartfelt sympathy to the Young family and to Marilyn's brother and sisters. You are all in my thoughts and prayers. I spent a lot of time at the Rupert's house and remember what fun John & Marilyn were to be around. Lot's of laughter is what I remember. Cherish your fond memories.

“ I think back with fond memories of all the Christmas dinners Aunt Marilyn coordinated with all of the extended families even after having worked that day! She was such a good planner and coordinator of the family events throughout the years. Lots of great Tuttle Creek memories too! She could always make those ugly catfish taste good! And of course many of us learned valuable lessons from her about microwave cooking and what not to put in your microwave oven! She was blessed to have such loving attention from all of you these past several years. My thoughts and prayers are with you.
