“ Bill & family, Our deepest sympathy and prayers are with you. I still remember the one an only time I meet Marjorie. It was in 1988 I just started working with Agri nomics. Me & Jerry Walker Came in to talk to Bob. While Jerry an Bob were in the office with the door closed, I was sitting by the front entrance alone. As I did not know anyone. That all changed when Marjorie walked in the door, she was so concerned that I was sitting alone. We talked for over 15 minutes about Louisiana & New Orleans. I will never forget how welcomed she made me feel. She also reminded me that K-State had beaten LSU a year earlier. My one an only memory of Marjorie will never be forgotten. Deepest Condolences, Bryan
