“ *To Martha June Caplinger, Robert Irwin, and Marjorie Emmert's family:*

As a younger cousin, I did not have many personal memories of Marjorie, but I did have one. I always enjoyed music and playing the piano. Marjorie, and Mary Lou gave me their old sheet music and I enjoyed playing those old songs for years: "Coming in on a Wing and a Prayer" comes to mind.

I am sorry to hear of Marjorie's death but fully believe she left many warm and loving memories for all of you. God be with you all.

“ My condolences to the family of Margie Emmert, who was my first Supervisor when I started doing taxes at H&R Block. She was indeed a good teacher and an excellent supervisor.
