“ *have many fond memories of the "taco tico years" in
aggieville...worked alongside mark and a cast of other characters...
...jeezulpeezul we ran him ragged...
a picture in my mind's eye includes a fun night in a baby blue
convertible caddie...and of course, his St. Bernard he loved dearly...
You are a sweet person who leaves us all with a smile in our hearts.*

“ My condolences to all of Mark's family. Mark's family lived at the northwest corner of 8th & College. We lived a few houses to the north. All the kids in the neighborhood, and there were quite a few, played together. We played hide & seek over the entire block, baseball in the street and football in the yards that had no trees (Van Vlecks, Smiths & ours). We'd all walk together, down 8th Street to Clay then Clay to Holy Name school. I still remember it as it were yesterday. My prayers and thought are with you all. Mark lives on in all of our memories. May God bless each of you during your time of mourning.
