“ We are so very sorry for your loss . I remember living next to mark when he was a much younger man and he was always a joy to be around and the pride you showed when you would talk about mark . He was a good kid . He enjoyed life and you must get some consolation in the fact that he no longer is suffering. God has him in his hands and is taking care of him. Our prayers were used but not like we would have had them that's why he is the man in charge. We will see you later love to you all.si12o

“ To Mark's Family: Our sincere thoughts and prayers go out to all of you during this time of your sorrow. We know what you are feeling with the loss of a child and can understand the loss you feel. Mark was a very good friend to our sons, Greg and Chris. We enjoyed a lot of good times with all those guys throughout the years. Mark will be missed very much. I know in my heart that our boys will be meeting and welcoming him with open arms.
