“ *My husband and I would like to express our sincere sympathy to the family and friends of your beloved Marlene. We wanted to share with you comfort from God's Word, found in John 5:28,29. Here we are given the wonderful hope of the resurrection of our dear loved ones, here on earth, just as Lazarus was, in John 11. Remember Our Heavenly Father shares our pain and sorrow when someone we love dies. (Psalm 34:18) May you draw comfort from the many loving memories you all made and shared together, share them with others and her memory will be cherished by all those who knew and loved her. Take care of yourselves and each other, during this very difficult time.*

“ *Marlene was a great person to work with at WIBW. It's been 20 years since I worked in the art dept. She was always will to lend a hand, had a great laugh, and friendly smile. She will be missed.*

“ *Marlene was such a special lady to us in the farm department at WIBW Radio. I had many a conversation with her that are near and dear to my heart. I'm sorry that I won't be able to attend the visitation or funeral as this is the week for the NAFB Convention. My thoughts and prayers go Harry and the family during this time. May the lord bless you all.*
