“ *I met Jean at Cardiology Consultants. We would visit while our husbands did their exercise routines. She was a great person and very easy to talk with. When my husband passed away, she immediately invited me to be a member of the Friendly Matron group. I still go to the monthly luncheon meeting and have really missed Jean at the meetings as we all knew her health was a concern. She will be greatly missed. Shirley Driscoll from Rossville.*

“ I worked with Jean from 1982 to 1986 in the Medical Record Department at Stormont Vail. I was young, from a small town and that my first "real" job. Jean took me under wing and I will always be grateful for her kindness. My sympathy goes to her family and friends.

My sister Betty Wolford Thomas and I were in the wedding party of Jean and George when they were married. We're 2nd cousins of George on our mothers side. We were neighbors for years and spent many hours sitting on their front porch on Madison street. We have many memories of good visits with Jean and George. My husband Joe and I had a nice visit with them a year ago while visiting my family in Topeka. Our thoughts and prayers are with George and her children and family. May she Rest In Peace. 🙏
