“ *Martha & I have been neighbors for years. One year on Huff & Puff weekend there was a balloon that came down across the street from us. Martha & I enjoyed a tethered ride together in that balloon. We both had the biggest smiles on our faces and were just in awe of the view. Martha was a special lady with a heart of gold. Condolences to all of her family. God bless & comfort each of you during this difficult time.*

“ My deepest sympathy to the family. Martha was a caring person and was most proud of her family. On those rare days off, Martha would bring James and Dwayne to visit me in my office at Menninger. James and Dwayne, if you are trying to place me, I'm the one who made the frog blankets for you when you were 4, 5 or 6! I miss those days. My condolences.
