“*Mary Ann was a wonderful cook and kept an immaculate home. She was the mother of four boys and her focus was on her family. She was very proud of her family’s accomplishments but I do not think that she realized that none of it would have been possible without her.*

Mary Ann loved to keep us up to date on all the happenings within the extended family. She also enjoyed talking about our family’s history and ancestors.

She taught her children to be good and kept them out of trouble. Life was rough at times but Mary Ann kept the family on the right path. She was the glue that kept us together.

Mary Ann battled cancer for the last 15 years of her life. She suffered through breast, ovarian and finally pancreatic cancer. She fought the battle for her family. She was amazingly strong. During that 15 years she saw her grandchildren grow up, graduate from high school, go to college and become awesome adults. She was so happy and thrilled to be able to enjoy her new great grandchild. She loved her family more than anything and was willing to go through the pain so that she could be around us. She sacrificed her whole life for others. We were truly blessed to have her in our lives.

May she be at peace.

“ Mary Ann and I grew up across the road from each other, went through grade and high school together. When we graduated Mary Ann and Warren got married and I moved so we lost contact until a few years ago when I heard Mary Ann had cancer. We talked on the phone occasionally, sent letters and cards and just last week as I was going through my memory book I saw her name and thought I would contact her but got sick etcetc. I am so sorry to hear of her death but so glad she has been relieved of all pain and suffering. The last time I saw Mary Ann was at the Nortonville fish fry a few years ago. My condolences to all the family and THANK YOU MARY ANN FOR TOUCHING MY LIFE.

“ Praying for all of you! Mary Ann was like a second mom to me growing up. We all had a lot of great times over the years. So glad to have shared all the memories over the years. I lost my mom February 5th. It was quite a shock. You are all in my thoughts.
