“ *Jim and Peggy,*

You will be in my prayers as you go through this difficult time. I just lost both of my parents in the last two years and what has helped me the most is that the memories of moments we shared can be recalled at a moments notice. The things I learned from them will never leave me and will guide me through until I too can go Home. Know that you are NEVER without someone who understands for God gave up His only Son for us and had to watch Him suffer and die - but then He welcomed Him Home just as He has your Mom. May God Bless you and Be with you all.

“ Dear Bartee Family,
My heart aches for all of you during this difficult time. Your Mom was such a wonderful woman. I have felt such a connection with her especially over the past 12 1/2 years, and remember wonderful slumber parties at your home, your Mom always welcoming us with open arms. I will miss our phone conversations. We have lost another one of "our" Moms. Mrs. Bartee will be greatly missed.
Love, Susie
