“ To all my cousins, their spouses and children, there are no words I can express to ease your pain at this time. We lost another special lady and I know you will miss her beyond words. I know she is at peace and pain free rejoicing with all her family that has gone before her. She is now reunited with them, can you imagine the joy she felt seeing them all again especially your Dad and David her child she has missed for so many years. I know she will be watching over all of you and she will continue to pray for you with our Heavenly Father. I am sure once she was reacquainted Mom was right there to show her around and let her know what a glorious place she was in. She is only gone from this world but she will always be with you in your memories and her spirit will be with you forever. Until we all meet her again someday soar with the angels
Aunt Mary Ann. God Bless her and all of you. Please know I am praying for all of you.
