“ *You have my deepest sympathy in your loss. Mary Ann was my first supervisor in 1974 when she was overseeing the steno pool, copy room, mail distribution and filing in the Engineering Department at SW Bell. She was a wonderful person to work for and know. It has been many years since I have seen her, but remember her fondly.*

“ *I haven't seen Mary Ann since Ninth Grade at Crane Junior High, but I have thought about her often in the half-century since. I often looked up her phone number, but never got the courage to call. I remember her address at 1020 Fillmore. In my memory, Mary Ann Borsdorf remains a faint picture of a perfect potential friend.*

“ *I want to express to the family of Mary Ann, how beloved she was to her co-workers at Southwestern Bell. Not a day went by that I didn't look forward to visiting with Mary Ann. Although she worked in a "pressure cooker" environment, her sense of humor kept all of us laughing. She was a dedicated employee, and was liked and respected by all who knew her. She will be sorely missed!*

“ I can remember a beautiful young lady named Mary Ann Borsdorf who lived with her parents and uncle Hod down the street from Topeka High School. Can also remember an eager young man, Darell Lee Mitchell, who later became her husband. They both worked hard holding down full time jobs and managing and repairing rental property. Mary Ann was able to handle this in addition to raising four children, two of whom survive her. I can't put into words the loss those who knew her feel. May the good Lord receive her with open arms and shine a special light of Love on those of hers who are left behind.

“ Dear Darell and family:

Wanted you to know I was thinking of you and your family. Words can say very little at a time like this, but knowing people are thinking of you and care, maybe helps. I hope so.

Please accept my deepest sympathy on the loss of Mary Ann. What a wonderful person. I know you all have wonderful memories of her.

Sincerely,

Jackie Mills Campbell Petersen
