“ Very sad to hear about Mary. I have known her my whole life, and
have always felt like Mary and the Mulryans are an extended family
to me. I remember when my grandma Mary passed away, I cried on
Marti's shoulder harder than I've ever cried, and she was there for
me. Shortly after that I lived at my grandparents' old house two
doors down from Mary and Richard. It was always comforting
knowing they were down the street if I needed anything. I remember
going down there sometimes for little things, I think more because I
thought it was fun to talk with Mary and Richard and check in on
them. And I was always excited to see my friends Mark, Rick, and
Dennis when they were around too. I love all you guys - Spencer C

I am so sorry to hear of Mary's passing. I'm sure she fought a hard battle. Having known her since our school days in Westphalia, I have many memories of our times together. I will always remember her infectious laugh... She wanted to hear laughter from everyone. Prayers to all at this difficult time. --- Shelba Volland Donoho.

Richard and Boys- was so sorry to hear about Mary. Our family has known Mary "Marti" and the Martin family since we were kids growing up in Westphalia. She always had a great sense of humor! We felt we knew you and the boys through her very comically written Christmas letters!! Our sympathy to you and to the Martin family. May she rest in peace!!

What a sad loss of someone with such great sense of humor and life. I hardly knew her, but when we has some time together she was a straight-shooter, loving wife, and took care of all of her family.
