“ *I can echo Alyssa's thoughts...only I'm beyond lucky to call her my aunt and to be named after her. She is already greatly missed.*

“ Anyone that knew her will understand that coming up with just one favorite memory of her is impossible. She was the kindest, most caring person I've had the pleasure of knowing. She did anything and everything for our family, and I'm beyond lucky to have called her my grandma. She has given me the best memories that I will cherish forever. ❤️
