“ *Dear Roberta and Family,
My deepest sympathy for the loss of your beautiful Mother. She was such a good person and raised such a wonderful family. I have many childhood memories of her that I will never forget. I was very fortunate that my daughter, Elizabeth, performed with a group at Aldersgate this past July, and I was able to see and talk to her. She was just as beautiful and cheerful as always.
I know you will miss her terribly and my heart is with you. Please call if you need anything at all or just want to see an old friend. I am sorry I was unable to make it to her funeral.*

My prayers are with you.

“ My love and sympathy to the family of my beloved Orval and Margaret Walker, my cousins. Margaret gave so much of herself to her family and others, I know God used her to touch many lives. She certainly lived the 'Golden Rule' to the fullest. Her exile on this earth is over and her mortal life will be missed by all of us. She & Orval now greet each other again before our Father in Heaven. May the peace of Christ be with all of you. Lou & Betty Seprodi
