“ *I've never met anyone nearly as hospitable as Tillie. She always made you feel welcome & made sure you had plenty to eat and drink! Her decision to donate her body to KU Medical Center strikes me as another selfless act of kindness and concern for others. For those of us who have benefitted from the services provided at the Med Center, it's an act of more personal significance. Thanks to Tillie and to the family for making sure her final wishes came true!*

“ Tille Desch Esser was one of a kind. She was a wonderful friend and school mate of mine. We spent four years in Capital Catholic High school together. We are both Rooshians and decendents of Germans from Russia. Her father Jacob was a good friend who worked with my father Jacob Appelhanz at the Santa Fe shops. That's how her dad became my sponser at my Confirmation. Two of Tille's best friends at CCHS were B.J. Deghand and Marge Besler. These three were always together in school. With them and other school friends we had many good times at Lake Linge and school events. I was sorry to hear of her passing. I will certainly miss her. May God bless her.

“ Mr. and Mrs. Esser were one the very first friends my parents had when we moved to Topeka back in the 60s. My mother loved that couple and held them both in the highest regard. Tilley and Vera remained dear friends until she died in 2018. We were blessed to know the entire family. God Bless you all at this time of your loss.

“ *Tillie - dog gone you! You beat me! I'm still awaiting to see Leonard and you, but will one of these days. Remember well all the great times we had in the "good old days" especially at Lake Linge and Meadow Acres with John and Berniece, you two and we two, or Ray and Julie Etzel.. Long gone now, but memories are so nice. We pray for you Tillie and your extended family in these sad days. God rest and peace to you and Leonard.*

“ *Tillie was a wonderful lady and a great friend!! She invited me to her home many times and we had good visits and lots of laughs!! I would have to laugh --- I would call out to just talk to her when she was still in her home and the first thing she would say when she heard my voice was "well, are you coming out?" so naturally I would go!! She was always fun to be with. You will be missed by many Tillie -- we know you are happy now, reconnected with Leonard. Loved her lots!! Thoughts and prayers to all the family in your time of loss!!*

“ *My Aunt Tiile was an amazing person who I loved very much. When you talked with her you had her undivided attention and she made you feel that what you were telling her was important to her. I loved her laugh and sense of humor. At Tillie's house you had to have a drink in one hand and something to eat in the other. RIP my sweet Aunt and party hardy in Heaven with all those who have been waiting on you to join them. 🥰🥰*
