Mark, I just browsed the Garlock family hoping I could see what has happened to my cousins over the years. Your Dad was my cousin and you once visited my home in San Diego with your mother, Marie and your brothers. I loved your father, Rock, . He was a very special friend to my husband and I. We had 4 young sons when you came to visit us and you lived in Riverside, CA area at the time. You can find me on facebook: Roberta Garlock Standen
