Matt was my best friend and we hung out just about every day for half of my life. Now I'm going to think about his laugh everyday for the rest of my life.

*There is a road, no simple highway
Between the dawn and the dark of night, and if you go no one may follow, that path is for your steps alone.*

I'm really sad to find out about this. I worked with Matt at O'Reilly's 10 or 12 years ago and we often picked bluegrass and country tunes together. He was a helluva musician.

Sorry for your loss.

*Condolences,
Russ*

Matt's passing hits hard. Thanks for always coming to my birthday parties as kids. I always saw you as the cool Matt when we had class together. We may have fallen out of touch as we grew up but I will always remember your fun nature and sense of humor. Rest easy brother

“ Matt was the good neighbor who helped me through the difficult times after Jerry passed away unexpectedly. He mowed and edged my yard to perfection, moved my plants and flowerpots, and helped with my yard sales. My sympathy at this sad time. I pray that memories of your kind son and your faith that he is rejoicing with Jesus and Jerry in Heaven will give you comfort and peace.

“ Goertz Family,
My heartfelt condolences to all of you as you learn to live this new life without Matthew. Though his physical presence will be missing, he'll always be a part of your lives. You'll hear his laugh, remember his funny comments, let that make you smile, not sad. I remember a sweet boy who always had a smile. What I didn't know was what a great friend he was to Jeffrey, when he needed him most. I wish I could give him a hug and thank him. But you already knew about those qualities. May all the good times and happy memories give you peace and comfort as you navigate these difficult days. I'm with you in prayer daily.
