“ Daryl, Tena & Kaitlyn -- Our families have shared some difficult and joyous times as Matt and Jenna battled cancer together at KU Medical Center. Matt was a little boy (1991) when we fell in love with him. His smile could melt our hearts! He was so blessed to be given such loving parents and a little sister to share his short 18 years with. God knew it would take extraordinary people to unselfishly share their lives with Matthew when He knew that Matt would be coming home to Him at such an early age. Thank you for sharing Matthew with all of us. Our lives are more blessed because of your gift. As always, your family will remain in our hearts and prayers. Love, the Schmidt Family

“ I knew Matt for a short time as a patient, but when matt came into the lab my day was the brightest when he showed that sweet grin. I met Matt and he touched my heart and i felt the beauty of his soul. I feel honored to have known matt. He touched so many lives in the short time he was with us. May the lord give your family peace with the passing of your beloved son. My prayers are with your family during these sorrowful times.
